### Guest Speaker:

**Cindy London, Community Relations Specialist  
Sgt. Allan Abney, Detective  
Bakersfield Police  
Department  
Crime Prevention Unit**

As every human resource professional knows, employers maintain records that are of great value to those who would engage in this illegal activity. Employers should audit their processes that protect confidentiality of employee information. Ms. London & Sgt. Abney will present safeguards which can be implemented to secure employee information. They will also update us on new developments that may impact employee data responsibilities.

*This program, ORG-PROGRAM-4536, has been approved for 1.0 recertification credit hours toward PHR, SPHR and GPHR recertification through the Human Resource Certification Institute (HRCI). Please be sure to note the program ID number on your recertification application form. For more information about certification or recertification, please visit the HRCI homepage at [www.hrci.org](http://www.hrci.org).*
